

The Hook Mentorship Program

OVERVIEW

The Hook Young Professionals group, a part of The Spearfish Chamber of Commerce, aims to help business professionals in our community grow and succeed both professionally and personally, thereby enriching the entire community. The Hook Mentorship Program provides opportunities to share the wealth of experience and advice that lies within our more established members with the future leaders of our growing community. Our aim is that this program will create beneficial and profitable connections amongst community members and deliver actionable information, strategies, and tactics that will help members set and attain their short-term and long-term goals, therefore advancing the success and prosperity of our membership throughout the entire Spearfish area.
